Some of these products are a simulation of the closest PANTONE®-identified color standard. Consult current PANTONE® publications for accurate color. PANTONE and other Pantone trademarks are the property of Pantone LLC. © Pantone LLC, 2019. All rights reserved.

Note that the elements used in sign construction, including sources of illumination, adhesives and substrates, can affect color. In most instances, color variation is slight, but certain elements will have a more noticeable effect, particularly on shades of white. PANTONE® color numbers are based on reflective light measurements of product samples applied to a standard white substrate.
